"Many folks believe that the president has got some issues regarding character."  
pic.twitter.com/kjGQvUvcV6 On Tuesday's "America's Newsroom," Sen. John Cornyn (R-TX) said that  
President Donald Trump has "issues regarding character" that voters need to consider before casting  
their vote in 2020. "I think if you look at his personal interactions with people, with his family, with  
his siblings, with people he knows, you see a personal approach," Cornyn said. "There's a personal  
relationship. There's also a public persona, and a lot of people believe that the president has got  
some issues regarding character, or at least the lack of character.💎"
